

RING SIZE GUIDE

Kindly adjust the scaling of this guide to 100% and print it on A4 paper, then use a ruler to confirm sizing. Place a credit card or bank card in the rectangle provided to check accuracy: if the card fits, the scaling is accurate.

HOW TO USE THE DUJA TAPE MEASURE

1. Ensure you have a tape measure ready.
2. Wrap the tape measure around your finger, record the measurement, and refer to the Duja ring size table to find your ring size.
3. When uncertain between two sizes, select the larger one..

Place a credit card here to confirm print size

*This is for reference only. DUJA cannot be held responsible for any errors that occur as a result of measuring your finger.
